Chris,

Laura Knudsen shared her project contact list with John Morgan. You may want to look through that to see if there are additional names. But when I reached out the to the Tribes and asked whether they wanted to participate in technical meetings on the Bradford Island project, here is what I heard:

Yakama Nation - definitely wants to participate, lead rep Rose Longoria, others Laura Shira and consultants Sherrie Duncan, Eric Buer, and Kim Carlton.

Nez Perce - definitely wants to participate, lead rep Dr. Marissa Merker

Umatilla - definitely wants to participate, lead rep Carl Merkle

Warm Springs - definitely wants to participate, lead rep Ryan Smith, Sr.

Grand Ronde - I left VM and email messages for Lindsay McClary but never heard back.

Siletz - Mike Kennedy responded to my email, letting me know Siletz does not have bandwidth to participate but would like occasional updates

Cowlitz - definitely wants to participate, lead rep Rudy Salakory (interim Natural Resources Director), also Christine

Contact cards for all of these individuals are attached.

Helen
